Trip inclusions that immerse you in the culture and history of Europe:

Included: Guided Tour of Venice, Italy

Venice, the capital of northern Italy's Veneto region, is built on more than 100 small islands in a lagoon in the Adriatic Sea. It has no roads, just canals – including the Grand Canal thoroughfare – lined with Renaissance and Gothic palaces. The central square, Piazza San Marco, contains St. Mark's Basilica, which is tiled with Byzantine mosaics, and the Campanile bell tower offering views of the city's red roofs.

Included: Guided Tour of Athens, Greece

Athens, the historical capital of Europe. The birthplace of democracy, arts, science, and philosophy of Western civilization. Home of Plato, Socrates, Pericles, Euripides, Sophocles, and Aeschylus. Athens is one of the world's oldest cities. Its recorded history spans around 3,400 years and dates back to the 11th millennium B.C. E. Today, under the shadow of the Parthenon, the contemporary urban scenery of the sprawling city reflects its exciting history and its multi-cultural modern personality.

Included: Guided Tour of Santorini, Greece

Santorini, known since ancient times as Thira, is one of the world's most famous islands. Sit back and relax as you admire the island's immaculate sunsets and coastal views that will leave you breathless.
